Dear Ms. Ana Lucia da Costa Pereira,

Supervision Office for Companies and Equity Security Offerings – B3 S.A. – Brasil, Bolsa, Balcão

In response to Official Letter 207/2019-SAE, of April 11, 2019, Cemig reports that it has been keeping the market and other interested parties duly updated on the processes of sale of the assets that are listed in its divestment program, originally published in a Material Announcement on June, 1, 2017; – and that, further, there is no new information which, in light of CVM Instruction 358/2002, would justify publication of any new Material Announcement on any of these processes.

Cemig takes this opportunity to reiterate its commitment to transparency and best market practices in communication with the market.

Belo Horizonte, April 12, 2019

Maurício Fernandes Leonardo Júnior
Chief Finance and Investor Relations Officer
